# NIKHIL VADDEY

Founder / Builder / Product Strategist

nikhil_vaddey@berkeley.edu
Berkeley, California
Originally from Charlotte, North Carolina

UC Berkeley Industrial Engineering and Operations Research student building software products, businesses, and practical systems across AI, product strategy, finance, and operations.

## EXPERIENCE

### NnR Technologies
FOUNDER & CEO

Founded and operated a software and automation business serving 8+ clients, generating five-figure revenue, and receiving a reported $53,000 valuation through a MassMutual startup program.

### Citco
PRIVATE EQUITY FUND ADMINISTRATION INTERN

Prototyped a workflow for identifying and extracting information from private-equity side letter documents, with an estimated $283,000 in potential annual savings. Projection, not realized savings.

### GitHub
PRODUCT RESEARCH CONSULTANT

Researched developer workflows, onboarding, collaboration, and product adoption to surface product opportunities.

### OpenMind
PRODUCT STRATEGY CONSULTANT

Explored user needs, competitive positioning, product strategy, and go-to-market planning.

### Handshake
AI PROMPT ENGINEER

Evaluated model responses, identified quality issues, and produced structured feedback.

## SELECTED PRODUCTS

### Orbit
AI SALES TECHNOLOGY

Co-founded and developed a platform exploring live conversational guidance, post-call analytics, coaching, and practice experiences.

### GRUB
CAMPUS MARKETPLACE

Developing a two-sided marketplace concept connecting students who need errands completed with students willing to complete them.

## EDUCATION

### UC Berkeley
CURRENT

Industrial Engineering and Operations Research. Building from Berkeley across startups, product strategy, and finance.

## LEADERSHIP & IMPACT

### FBLA
REGIONAL LEADERSHIP

Former North Carolina Southwest Region Vice President; represented 5,000+ members and led 90+ officer interviews.

### Competitive Programming
NATIONAL

Second place nationally in FBLA Coding & Programming in 2025.

### Tech Dreams 4 Kids
CO-FOUNDER

Helped raise over $5,000 and distribute 60+ refurbished computer kits.

### Public Speaking
